Our Pictorial Directory

Have you checked your family's listings in the copy of our new Church Family's Pictorial Directory yet? If not, please check the listings today. Be sure to check the listing on the page with your family's photograph as well as your family's listing in the back of the directory. *Please make any necessary changes in both sections and initial each of the listings.* The proof copy will be available on the table in the rear of the auditorium until Sunday, August 31. We are still trying to arrange a date for photographing those families who were unable to be photographed a few months ago. Again, we want to thank everyone who has helped in making our Church Family's Pictorial Directory an effective tool in helping us become better acquainted with each other as well in introducing our church family to future members. -- *Everett Hutson*

Faith Learned and Faith Lived

So Jesus said to them, "Because of your unbelief; for assuredly, I say to you, if you have faith as a mustard seed, you will say to this mountain, 'Move from here to there,' and it will move; and nothing will be impossible for you."

Faith is not something that merely needs to be learned, it needs to be lived. Over and over in the Bible, we meet men and women who faced impossible situations with an incredible faith, and they came through their trials victorious.

Along with applying our faith to struggles in life, the Bible specifically says, "Without faith, it is impossible to please God..." I don't know about you; but I want to please and delight God. This is another reason why learning and living faith is so important.

Another reason to have strong faith in the Lord is important is because we will all go through trials and experiences that do not make sense to us. There will always be questions that are left unanswered. Someone once said, "Let faith support us where reason fails..." and I believe this is so true.

Hebrews 11:1 says, "Faith is the substance of things hoped for, the evidence of things not seen." Faith gives you something to stand on... it gives you hope in the midst of hopelessness...and it gives you evidence of God's presence in your life.

FAITH IS NOT JUST SOMETHING THAT NEEDS TO BE LEARNED... IT MUST BE LIVED! –Author Unknown
