Have you seen our new website?

Check us out at WilliamstownChurchofChrist.com! It is loaded with all kinds of new stuff - and we have only just started.

1. Home page. Do you get frustrated on Sunday Mornings trying to find the live YouTube link for our services? No more. Hit the Live Stream button and it will take you right to the live page. Click the play button on the YouTube picture that comes up and one of two things will happen.

a. If the streaming has not started yet, you will see a message at the bottom telling you how long it will be before streaming starts. (You can even click this the night before)

b. If the streaming has started, it will instantly start playing. You can watch it right here, or you can click the YouTube icon and YouTube will open and continue the stream.

2. Home page - How do you find last week's sermon? Click on Past Streams. Usually it takes 3 hours for YouTube to make these available after we stop streaming. You will also notice we have

started to put up some older lessons as well. Due to licensing issues, we must remove the music out of these broadcasts before we can repost them. Jim has been working on getting a bigger archive of lessons posted, but each one is very time consuming to do. Let Jim know if there is a particular lesson from the past that you would like to see posted. (Use the contact form on the website)

3. Prayer Requests - You can now submit your prayer requests from our website, and they will go directly to Kelsy to put in next week's bulletin.

4. History Page - Do you know when our church was founded; who the preacher was, where the first meeting place was located?

5. Photo Gallery - We have a lot of photo history to share. We are grouping these images together into Galleries and will be posting them as we get them scanned in and uploaded.

6. Calendar Page- Watch this page for new events.

As you can see - this web site is a work in progress. Over the next year or so, there will be a lot of new things added. Keep watching and who knows - you may see a picture of you from 20 years ago!

If you have any questions or suggestions about our new website, we would love to hear from you. Just go to our contact page and fill out the email form.

A **HUGE** shout out to Jim Zetterberg for getting this set up for us and for his continued dedication to getting the website up and running! **Thanks Jim!**
